## *Antique & Craft Fair Application*

## EVENT DATES: _____

Summers Past Farms spacious lawn area is an excellent location to hold an outdoor Craft Fair. Our 30 years of business has allowed us to maintain many local San Diego County customers. I know to make the Craft Fair show a success we need a lot of shoppers, so I do want all vendors to do their part with word-of-mouth advertising and making flyers to make this a great event and we can all watch this grow. Summers Past Farms also has a web site summerspastfarms.com that will advertise this event. We host many other events throughout the year with great success.
